Apply as Partner of the New European Bauhaus

Fields marked with * are mandatory.

Apply as Partner

You are confirming that you are a **non-political** and **not-for-profit organisation**.

All types of non-profit are accepted: you may be a local association, an international organisation, a union, a network, a school, etc.

Once you apply, you shall receive an automated confirmation email. It will allow you to access your survey again.

Our team will review your application and let you know if it was accepted, refused, or if you need to clarify certain points and re-apply. Please keep in mind that we give particular importance to the quality and clarity of your commitment.

The information you provide in this survey at the section "Information for our website" will be published on the official public website of the New European Bauhaus.

The information you provide in the rest of the survey, including the contact information, the details about your organisation, your motivation and your availability as host or sponsor will be published on the New European Bauhaus platform reserved to the Community formed by the Partners, Friends, the members of the High Level Round Table, the New European Bauhaus prize winners and finalists, NEB calls' beneficiaries, the National Contact Points and some relevant policy officers within the European institutions.

We publish your information with the intent of displaying your commitment and to help you connect with other community members and with the general public.

The information is on average published within a week from the submission. You can remove your information at any time by contacting the New European Bauhaus via this survey or via the <u>official website</u>.

I confirm that my organisation is non-political and not-for-profit.

* Is this an original or a revised application?

- This is an original application
- This is a revised application after feedback from the New European Bauhaus

Join a community of partners sharing values

By submitting this application we declare that:

- The activities and values of our organisation are in line with the core values of the European Union of human rights, freedom, democracy, equality and rule of law.
- We share the goals of the New European Bauhaus to build a beautiful, sustainable, inclusive future, as laid out in the guiding principles, through the engagement of a diversity of perspectives and expertise.
- We understand and agree that the commitment to support the New European Bauhaus, as outlined in the present proposal, will not be subject to financial support from the European Commission.
- We understand and agree that our contact information will be shared with other New European Bauhaus community members through the joint community platform.

* Please describe your mission

500 character(s) maximum

The Digital Literacy and Social Inclusion Hub at the Polytechnic Institute of Santarém promotes digital literacy to enhance labour market inclusion. It advances scientific and technological knowledge, evaluates innovative resources to improve employability for disadvantaged individuals, and develops a replicable support model for sustainable inclusion.

* Please briefly describe your key activities.

500 character(s) maximum

The Hub develops research and training in digital literacy and social inclusion, creating innovative methodologies to enhance employability. It designs and tests digital tools, supports disadvantaged groups through tailored programmes, and collaborates with institutions to promote inclusive education and workforce integration. By fostering partnerships and knowledge exchange, it ensures sustainable and scalable solutions for digital inclusion.

* Activities I commit to:

As Partner of the New European Bauhaus you are expected to organise concrete activities or projects, yet you are welcome to propose your ongoing activities/projects if they are coherent with the values of the

initiative. Please select from the list those that are either more in line with your current program or those that could serve both the New European Bauhaus and your mission.

- Networking and/or knowledge sharing on the New European Bauhaus within your own community (for example using our own conversation toolkit available on our website)
- Metworking and/or knowledge sharing on the New Europan Bauhaus with our community of partners
- Actively disseminating information on upcoming delivery outputs, such as future New European Bauhaus prizes, technical assistance calls, and other funding opportunities to national or sub-national organisations, amongst others
- Establishing a national or sub-national network for the co-development of (local) territorial transformations in line with the New European Bauhaus values
- Proposing collaborative projects or contributing to other collaborative projects set up in the context of the New European Bauhaus by the community of partners and other actors involved
- Connecting the initiative to non-EU countries, engaging in mutually beneficial exchanges and capturing valuable inputs relevant for the initiative
- Other

The focus areas in the New European Bauhaus context include AI-driven green skills, inclusive cities, and bridging urban-rural divides. It promotes upskilling disadvantaged groups, lifelong learning, and human mobility while fostering sustainable vocational training. Collaboration between VET, business, and research ensures digital transformation, resilience, and social inclusion. Aligning with EU policies, it supports innovation, competitiveness, and long-term sustainability.

Concrete actions

* How do you intend to raise awareness and promote the core values of New European Bauhaus?

For example, through social media, webinars, news articles, dedicated items on website, through providing space and physical locations for New European Bauhaus type activities, through dissemination of online information on your digital platform etc.

1000 character(s) maximum

To raise awareness and promote the core values of the New European Bauhaus, we will leverage a multichannel approach. This includes social media campaigns, webinars, news articles, and dedicated website sections. We will provide physical spaces for workshops and collaborative activities, ensuring engagement with local communities. Additionally, we will disseminate information through our digital platform, fostering partnerships and knowledge exchange to enhance sustainability, inclusivity, and innovation.

* How do you intend to integrate the New European Bauhaus values into your own day-to-day activities?

1000 character(s) maximum

We will integrate the New European Bauhaus values into our daily activities by embedding sustainability, inclusion, and innovation into vocational training and skills development. This includes promoting green Al skills, designing inclusive learning environments, and fostering collaborations between VET, businesses, and research. We will apply these principles in curricula, digital tools, and physical spaces, ensuring long-term impact through sustainable governance and continuous knowledge sharing.

Candidate for host or sponsor

*Host a project

- New European Bauhaus partners can contact me to host their projects or project activities
- Lam not interested.

If you are interested in hosting activities, New European Bauhaus partners may contact you with ideas on how you could become a host. You will be able to accept, refuse or negotiate their proposal at any time. As host you will be responsible for connecting a New European Bauhaus Lab project to a specific physical or virtual context.

This includes for example:

- advising on how an action could impact a relevant community or context;
- invite the relevant community(ies) to actively participate in a co-design process;
- Invite the relevant community(ies) in a monitoring process.

Unless agreed upon with the team responsible for the project, Hosts will not be compensated. Hosts are selected independently by Partners.

Please explain how you would connect a New European Bauhaus project to your context
